5. Find a job and apply
6. Your interview
7. If you are selected
8. Your offer
9. Help, messages and complaints
10. Frequently asked questions

# 1. Welcome to HireStream

HireStream is the official overseas placement portal of **HPSEDC** (Himachal Pradesh State Electronics Development Corporation), Government of Himachal Pradesh. Through it you can register once, apply for verified overseas jobs, attend interviews, and get ready to travel — safely and legally.

**HPSEDC never asks for money.**
Registering, applying and being selected are free. If anyone asks you for money to register, to get you a job, or to "speed up" your application, do not pay. Report it on the portal (see Help, messages and complaints).

## How the process works

Every application goes through four stages:

**1 · Applied** → **2 · Interview** → **3 · Selected** → **4 · Placed**

- **Applied** — you have applied for a job. HPSEDC reviews it.
- **Interview** — HPSEDC interviews every applicant. You confirm the date or ask to change it.
- **Selected** — you passed the interview. **Only now** do you upload documents (police clearance, medical and so on).
- **Placed** — you have accepted the offer. HPSEDC helps you with visa and travel, and keeps in touch after you start work.

**Nothing to upload when you register.**
You do not need any scanned documents to register or to apply. Documents are asked for only if you are selected for a job.

## What you need

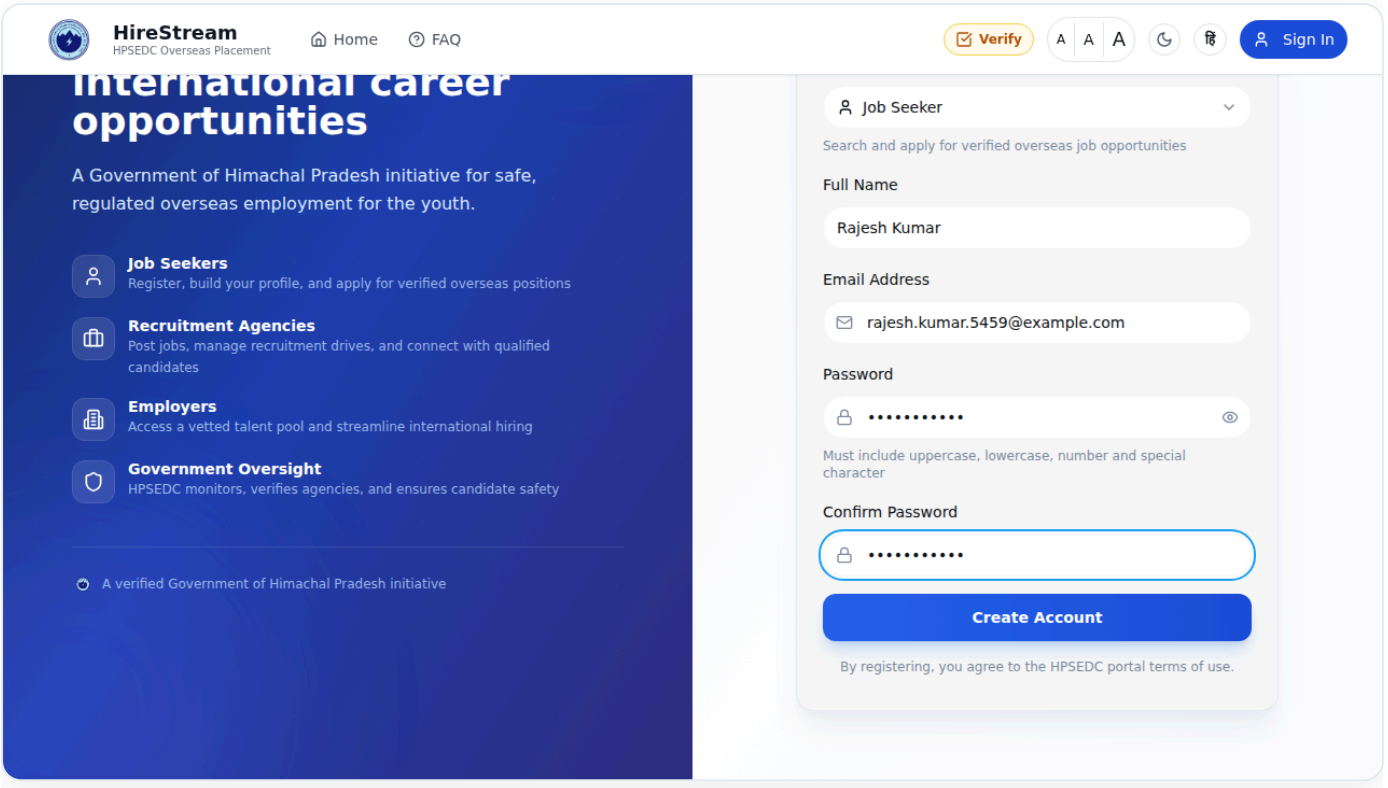

- A mobile phone or computer with internet. The portal works on phones.
- An **email address** you can open — a 6-digit code is sent there before you can apply.
- Your **passport** (if you have one) and your **Aadhaar card**, to copy the details exactly.
- Details of your education and your work experience.

Filling in the application takes about five minutes. Your answers are saved on every page, so you can stop and come back later.

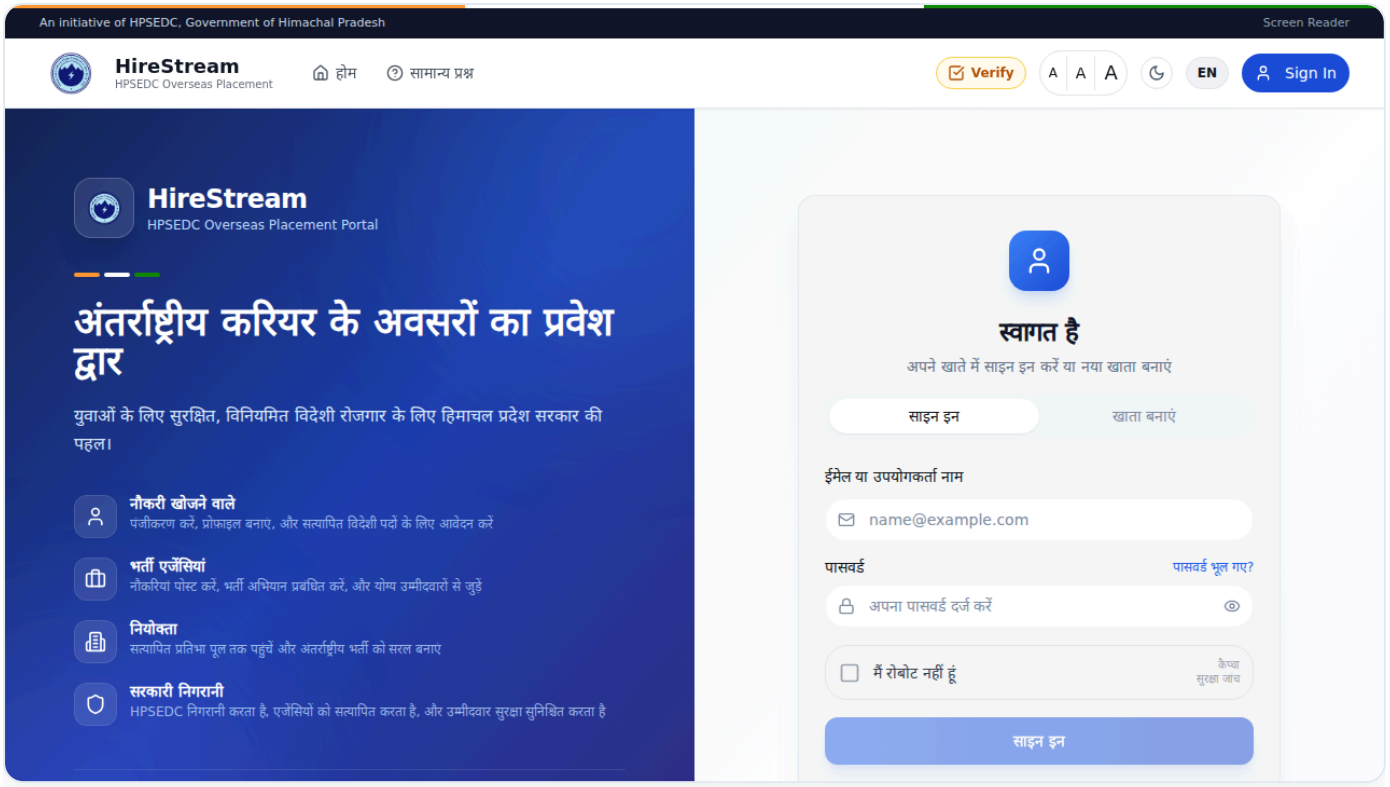

> **Watch the video.**
> The *Applicant Walkthrough* video shows every step in this guide on screen, with narration.

## 2. Create your account

1. Open the HireStream portal in your browser. The sign-in page opens.
2. To use the portal in Hindi, click the **हिं** button at the top. Click **EN** to return to English. You can switch at any time.
3. Click the **Create Account** tab.
4. Enter your **Full Name**, your **Email Address**, and a **Password**. The password must have at least 8 characters, including a capital letter, a small letter, a number and a symbol (for example `Rajesh@2026`). Type it again in **Confirm Password**.
5. Click **Create Account**. You are signed in and the application form opens.

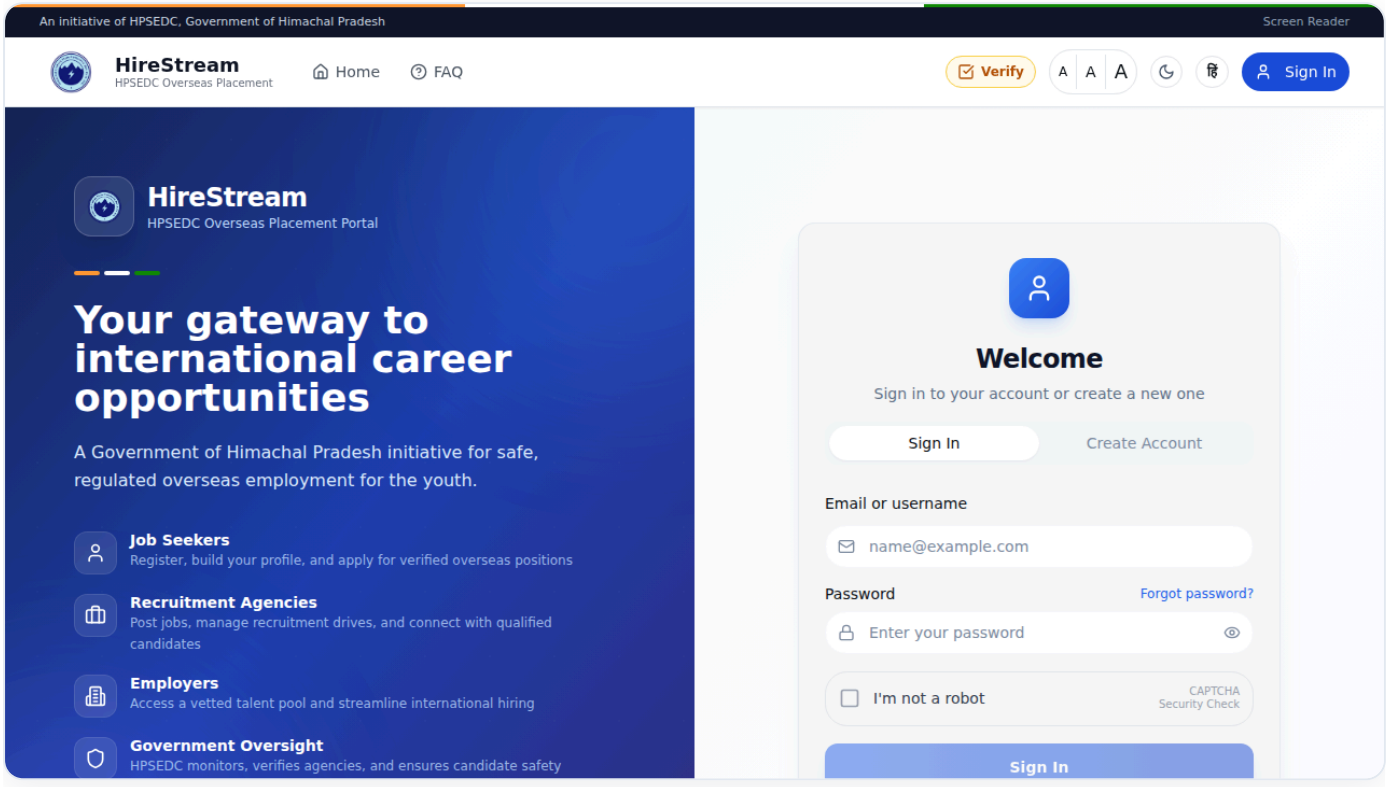

The Create Account tab on the sign-in page.

The same page in Hindi — use the हिं / EN button to switch language.

## Signing in next time

On the **Sign In** tab, enter your **email address or username** and your password, tick **I'm not a robot**, and click **Sign In**.

Sign in with your email address (or username) and password.

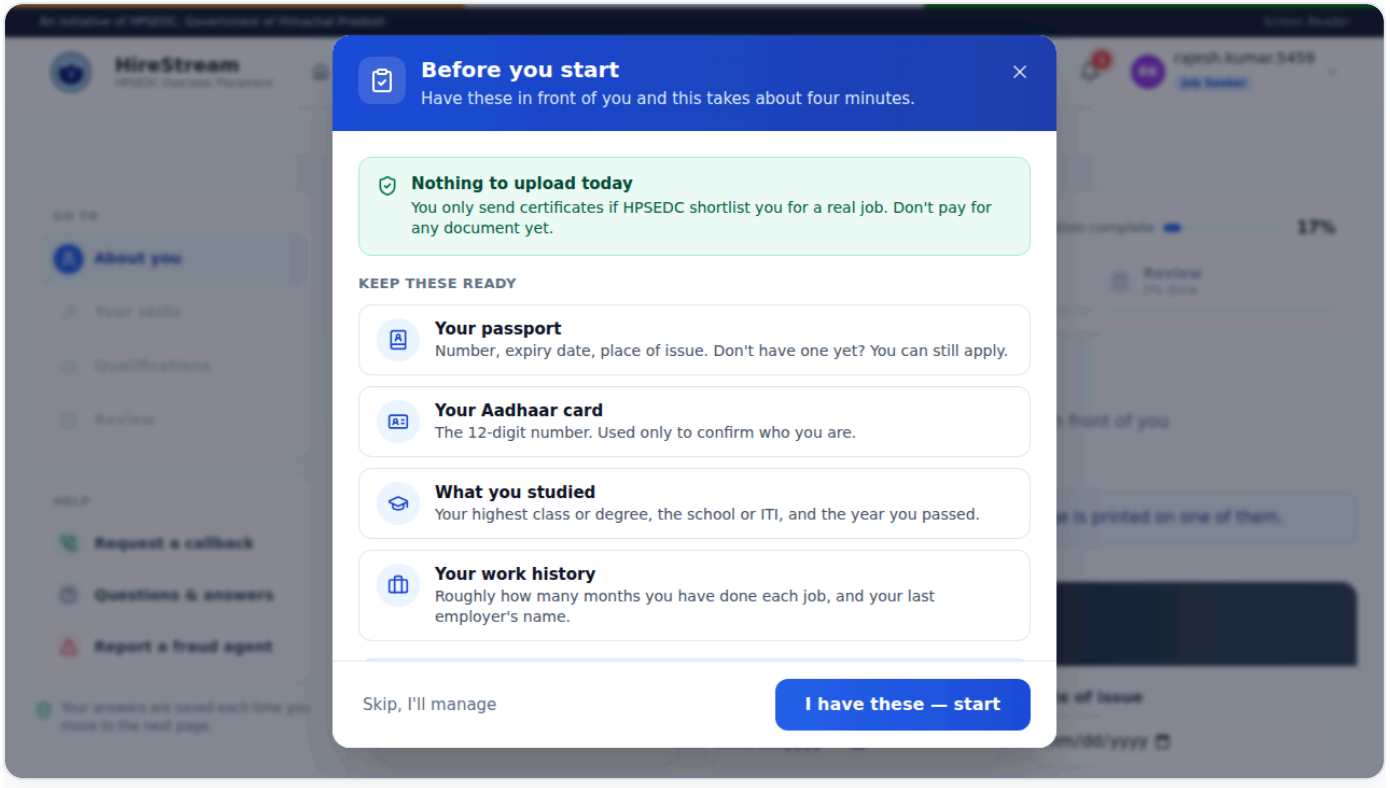

**Forgot your password?**

Click **Forgot password?** on the sign-in page and enter your email address to receive a reset link. If you do not receive it, contact the HPSEDC helpline.

# 3. Fill in your application

The application form has **four pages**. The bar at the top shows each page and how much of it is complete, the overall percentage, and the time spent. On a computer, the menu on the left lets you go back to an earlier page and has quick help links.

When you start, a **Before you start** box reminds you what to keep ready. Click **I have these — start**.

The "Before you start" checklist — there is nothing to upload today.

Fields marked with a blue * must be filled in. Click **Next** at the bottom of each page — your answers are saved each time.

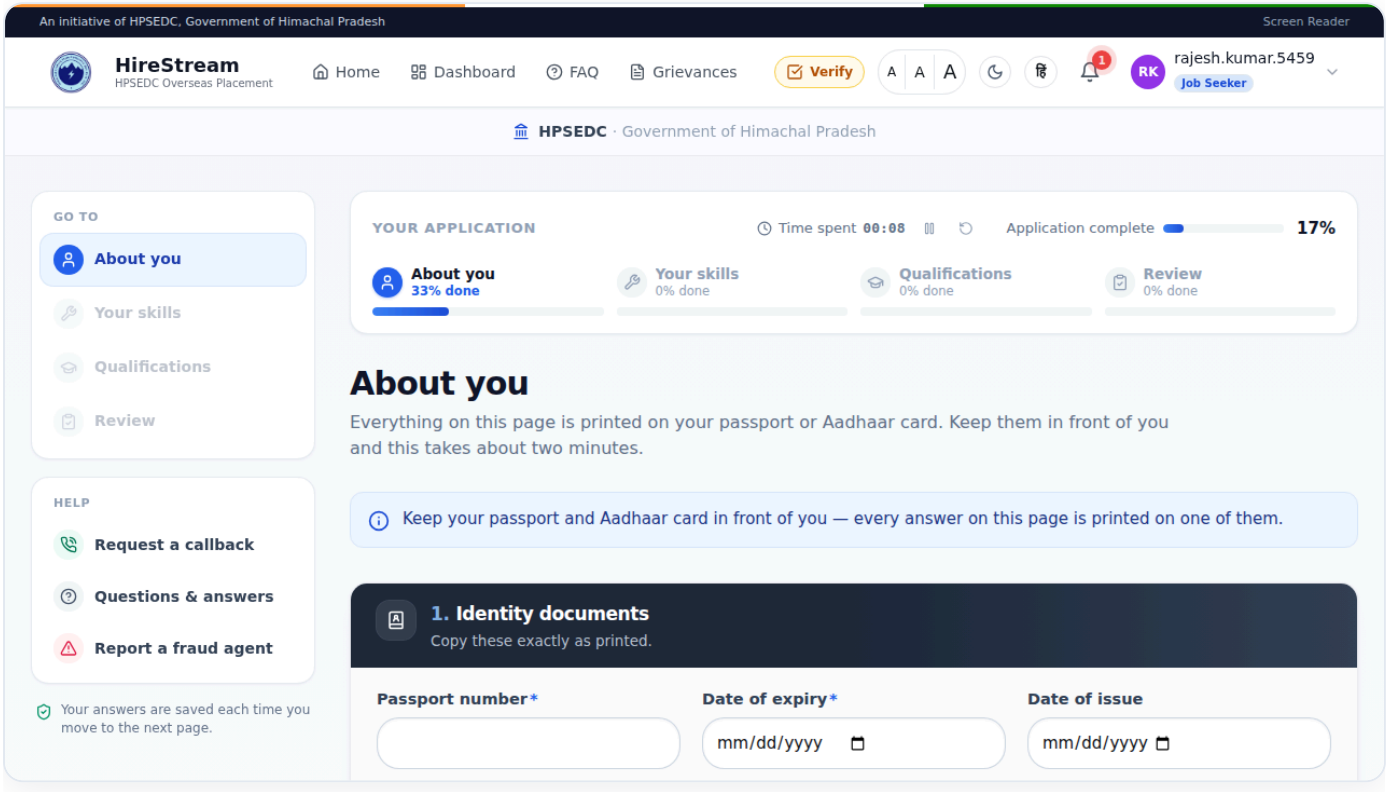

**Speak instead of typing.**

Many text boxes have a blue microphone button. Tap it and speak your answer (for example your name or address).

# Page 1 — About you

Keep your passport and Aadhaar card in front of you. Copy every detail **exactly as printed**.

| Section | What to enter |
|---|---|
| **1. Identity documents** | Passport number, date of expiry, date of issue, place of issue, and your **ECR / ECNR status** (look on your passport: does it say "Emigration Check Required"?). Your **Aadhaar number** is checked as you type — if a digit is wrong you will see a message.<br>No passport yet? Tick **I don't have a passport yet**. You can still apply, but you will need a passport before you can be selected. |
| **2. Personal details** | Full name (as on your passport), date of birth (you must be 18 or older), gender, father's name, mother's name, and whether you have a disability. |
| **3. Contact** | Mobile number (choose the country code first — useful if you are already working abroad), WhatsApp number (tick *Same as mobile number* if it is the same), and email. |
| **4. Address** | Home town, permanent address, state, district and 6-digit PIN code. If your address for letters is different, untick *My correspondence address is the same…* and enter it. |

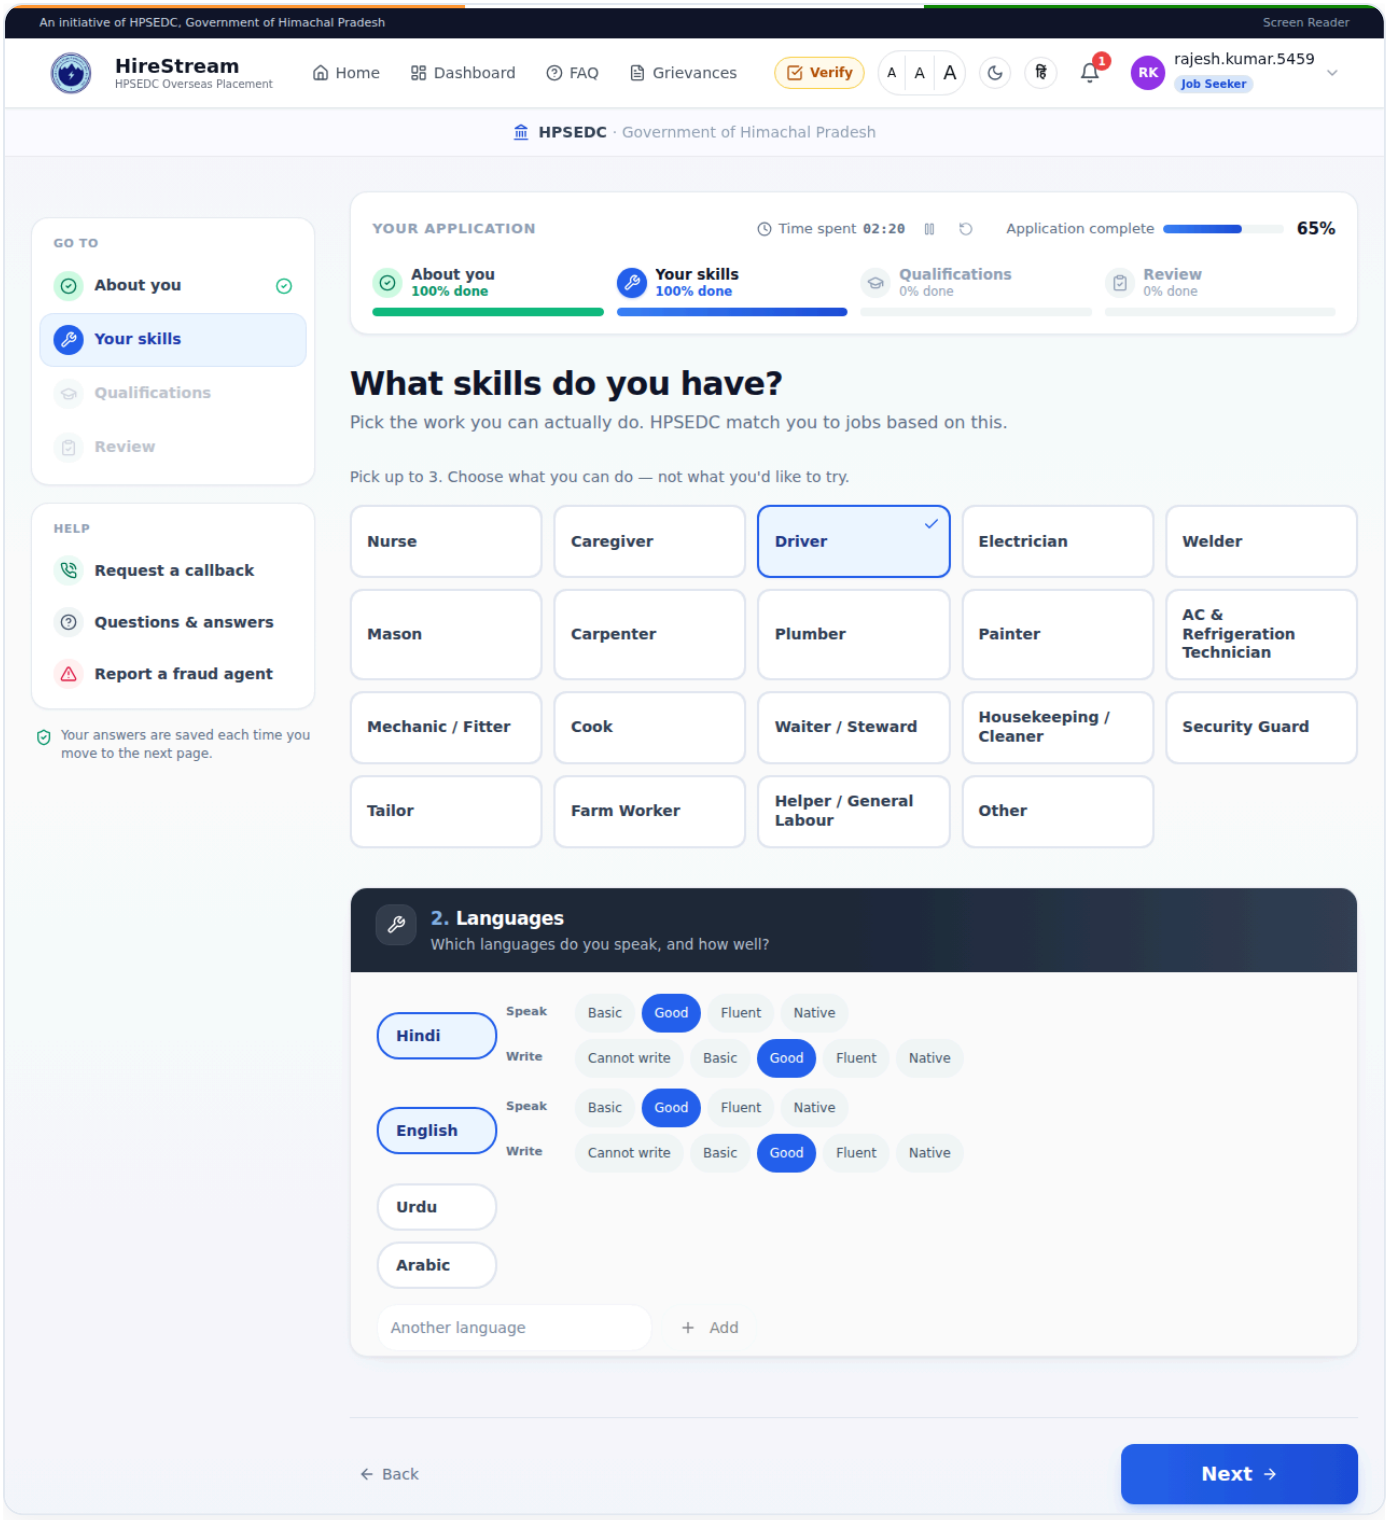

Page 1 — the progress bar at the top and the Identity documents section.

**Passport expiry.**
If your passport has already expired, the form will not let you continue — renew it first, or tick "I don't have a passport yet".

## Page 2 — Your skills

1. Click the trades you can **actually do** — for example *Driver*, *Electrician* or *Nurse*. You can choose up to 3. If your work is not listed, choose *Other* and type what your work is called.
2. Under **Languages**, click each language you speak (Hindi, English, Urdu, Arabic). For each one, choose how well you **speak** and **write** it. For another language, type it in the box and click **Add**.

You must choose at least one trade and one language to continue.

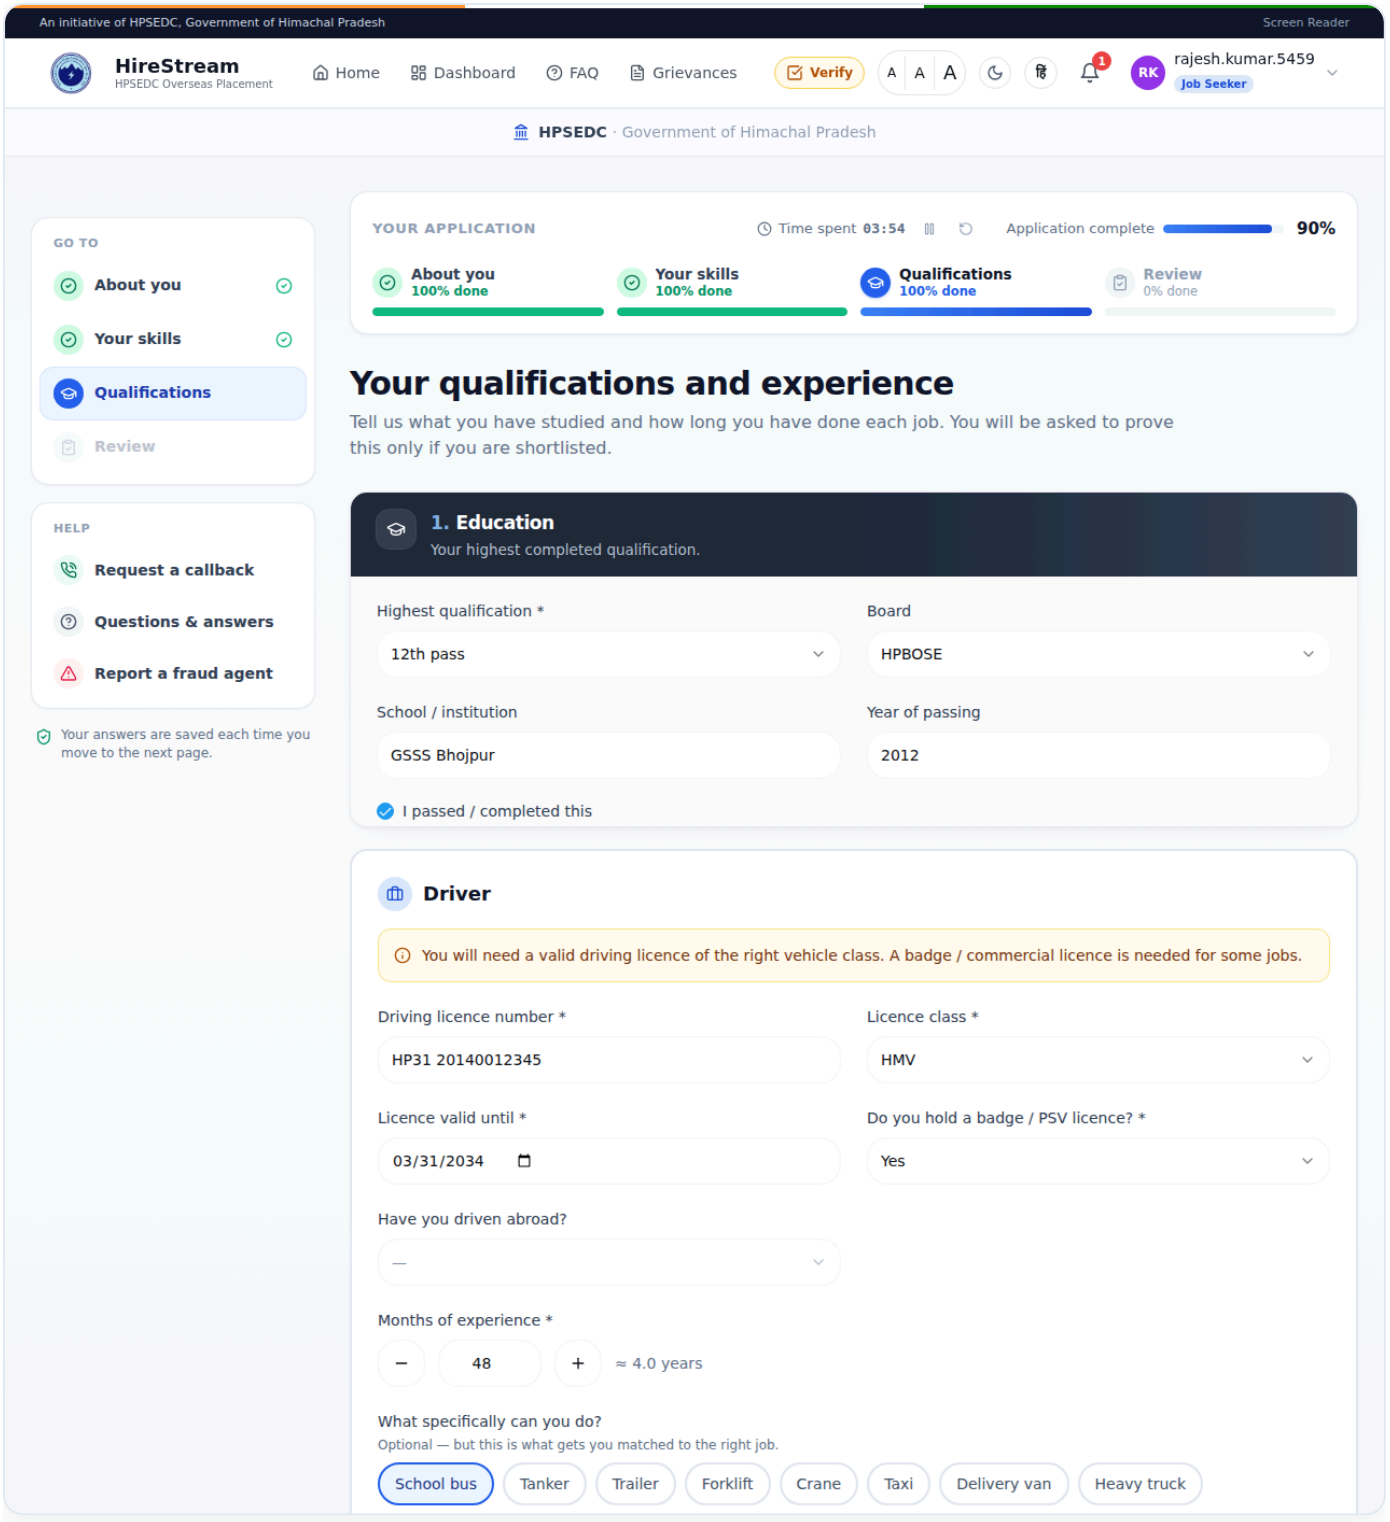

Page 2 — trades and languages.

## Page 3 — Qualifications and experience

- **Education** — choose your highest qualification. For 5th to 12th class choose your **Board** (for example HPBOSE). For ITI, diploma or degree choose your **University / College**. If yours is not in the list, choose *Other (type it in)*. Add the school or institution and year of passing if you wish.
- **One card for each trade you chose.** Some trades ask extra questions:

  - *Driver* — licence number, licence class, valid until, badge / PSV licence, driving abroad.
  - *Nurse* — nursing qualification, college, year, Nursing Council registration number and council.
  - *Caregiver* — training certificate and institution.
  - *Electrician, Welder* — trade qualification, ITI name, year, certificate body or trade test.
- **Months of experience** — use the `+` and `−` buttons (6 months at a time) or type the number.
- **What specifically can you do?** — tap the skills you have. This helps match you to the right job.
- **Last employer** and **country** — optional.

You will be asked to prove these details with certificates only if you are selected.

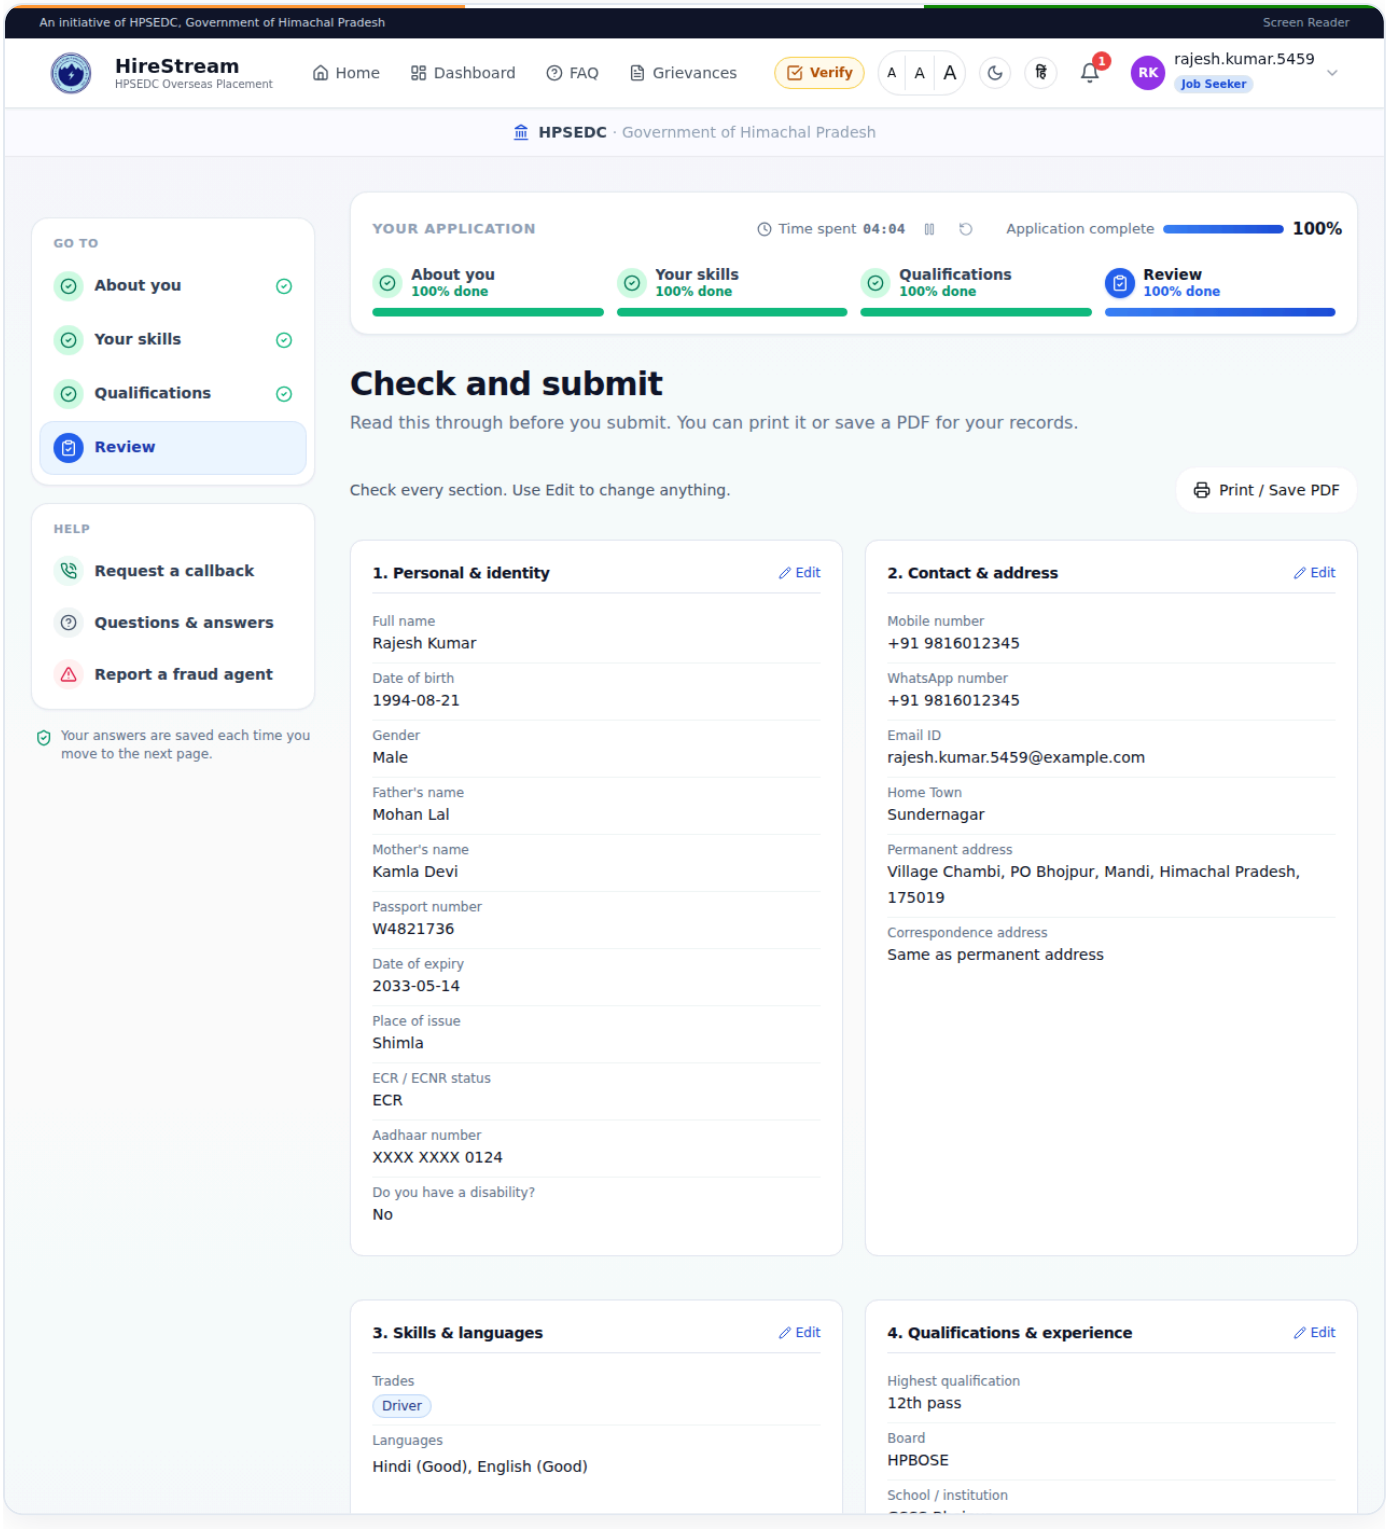

Page 3 — education, the Driver questions and experience.

## Page 4 — Check and submit

Page 4 shows your whole application in four sections. Read it carefully. Click **Edit** on any section to correct it. Your Aadhaar number is shown masked (only the last 4 digits).

- **Print / Save PDF** prints the application as an A4 form, or saves it as a PDF for your records.

- When everything is correct, click **Submit application**. You will see the message *"Application submitted"*.

Page 4 — check everything, then submit.

**You can update your details later.**

Click **Edit my details** on your dashboard (or *My Profile* in the menu under your name) to change any answer. After a change, click **Submit application** again.

# 4. Your dashboard

After submitting, open your **Dashboard**. It shows:

- **Your HPSEDC registration number** (for example HP-948651). Quote it whenever you call HPSEDC.
- **Profile completion** and buttons to **Find a Job** or **Edit my details**.
- **My application** — the status of your most important application.
- **Your travel readiness** — what is still needed before you can travel.
- **Need help? Ask HPSEDC** and the warning about money.

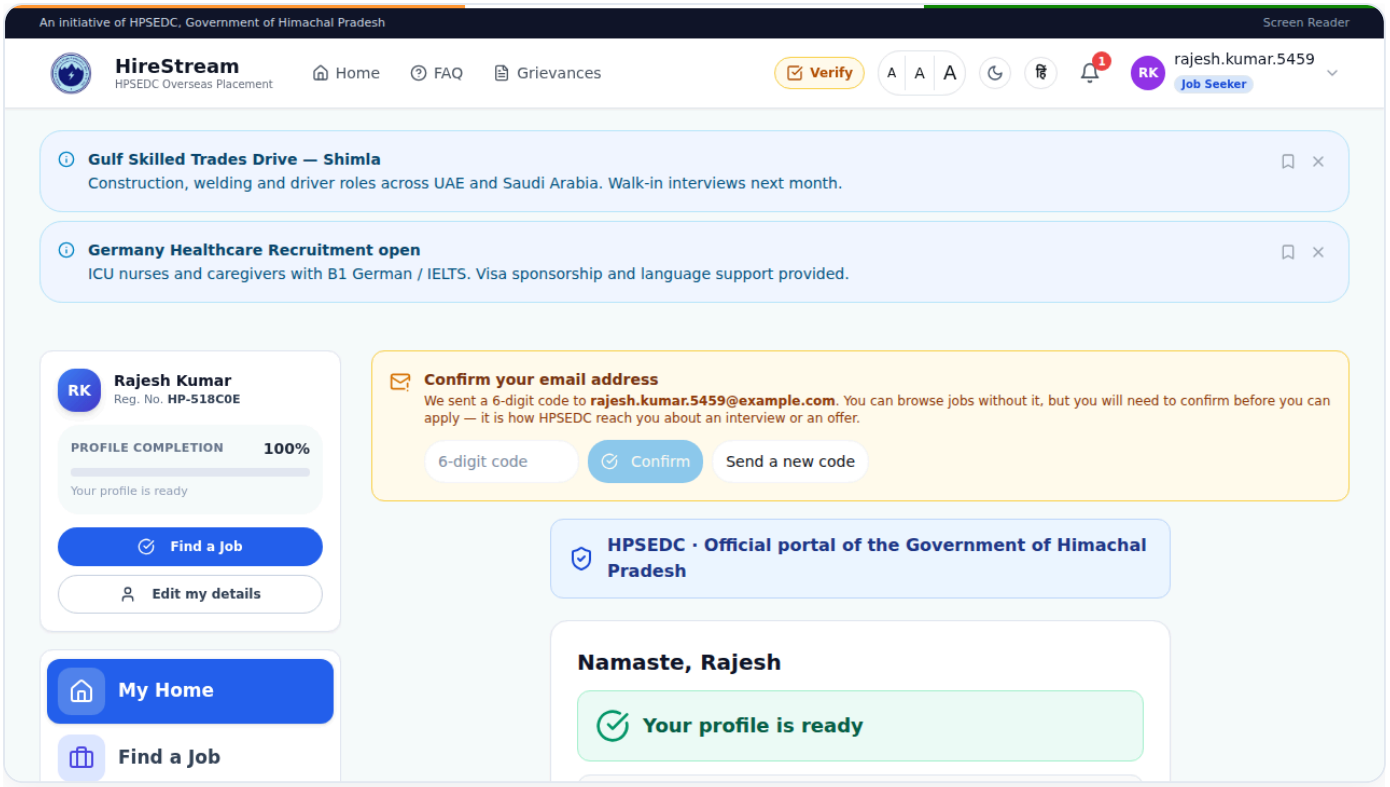

The menu on the left has **My Home**, **Find a Job**, **My Application** and **My Documents**. A red dot on *My Documents* means documents are needed. **Switch to Full dashboard** shows a more detailed view (saved jobs, recruitment drives, your journey and more); you can switch back to the Simple view at any time.

## Confirm your email address

Before you can apply for any job you must confirm your email. HPSEDC sends a **6-digit code** to your email when you create your account.

1. Open your email and find the message from HireStream with the code. Check the spam folder too.
2. On your dashboard, type the code into the **6-digit code** box under *Confirm your email address*.
3. Click **Confirm**. You will see *"Email confirmed — You can apply for jobs now"*.

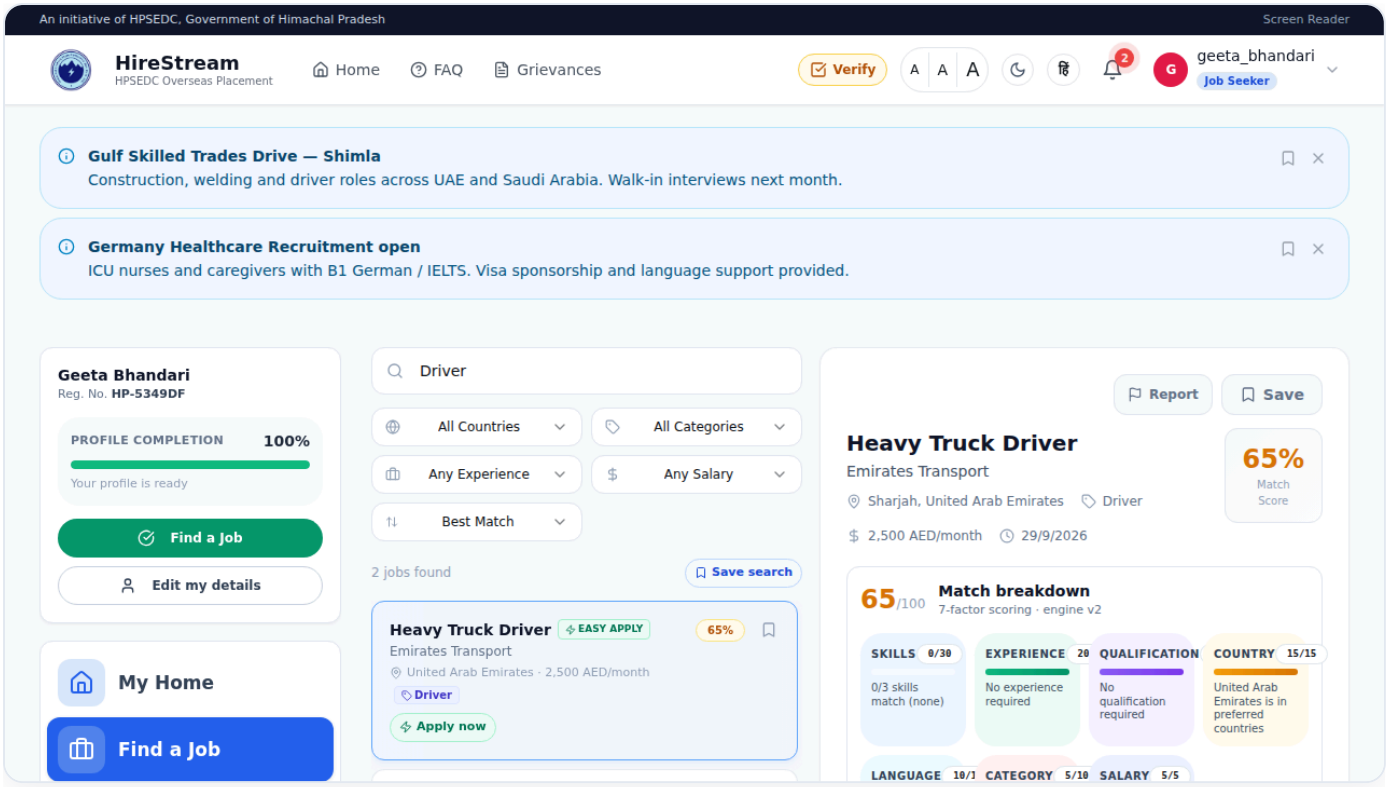

The code is valid for 5 minutes. If it has expired, click **Send a new code**.

Type the 6-digit code from your email and click Confirm.

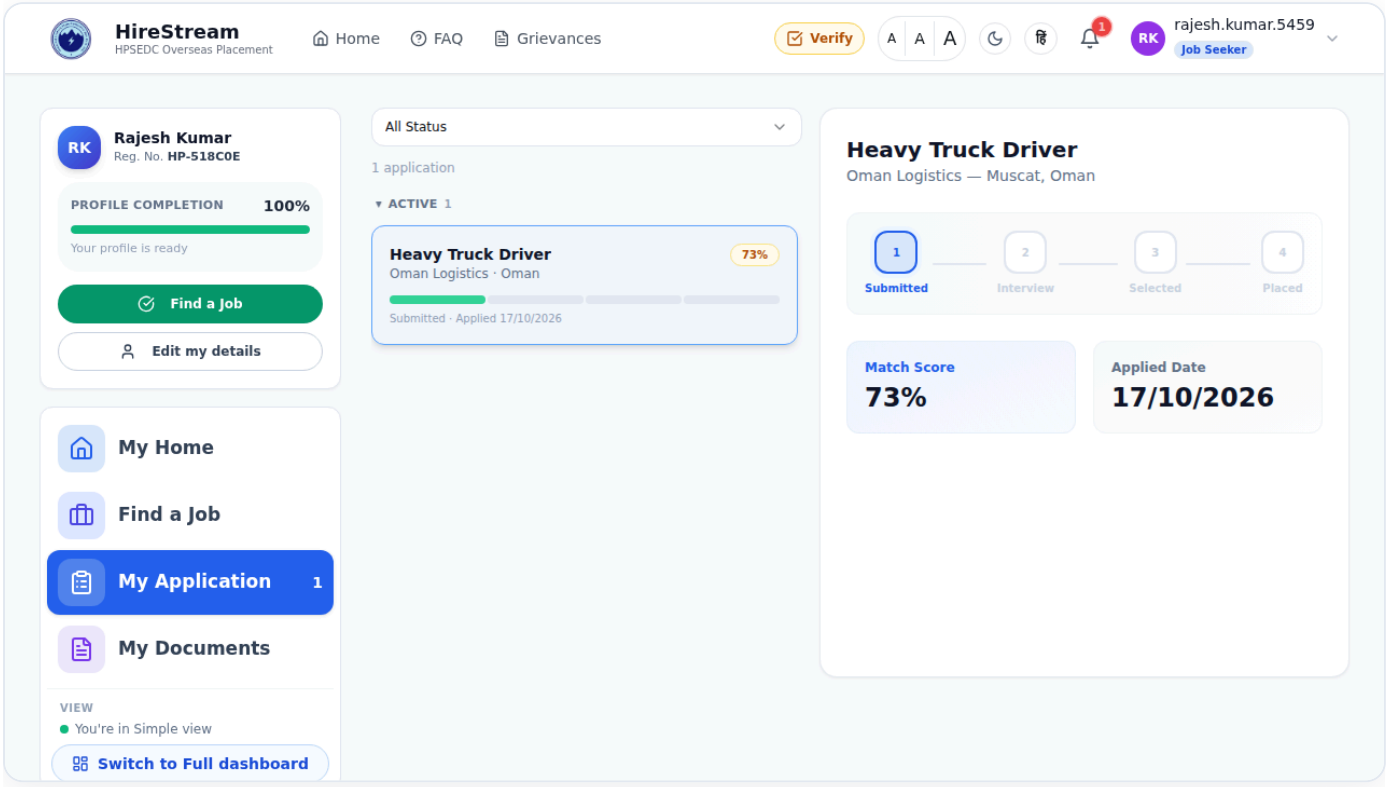

# 5. Find a job and apply

1. Click **Find a Job**. All open HPSEDC vacancies are listed. Jobs that are already filled are not shown.
2. Search by job title, company or skill, or use the filters: *Country*, *Category*, *Experience*, *Salary*. Sort by *Best Match*, *Newest* or salary.
3. Each job shows the employer, country, monthly salary and a **match percentage** — how well it fits your profile. Click the bookmark icon to save a job for later.
4. Click a job to read the details on the right: description, requirements, required skills, and the documents you would need if selected.
5. Click **Apply Now** (or **Apply now** on the job card).

Search results on the left, job details on the right.

Your application now appears under **My Application**. Click it to see its stage (Submitted → Interview → Selected → Placed), your match score and the date you applied.

My Application — the stage of each application.

**Why can't I apply?**

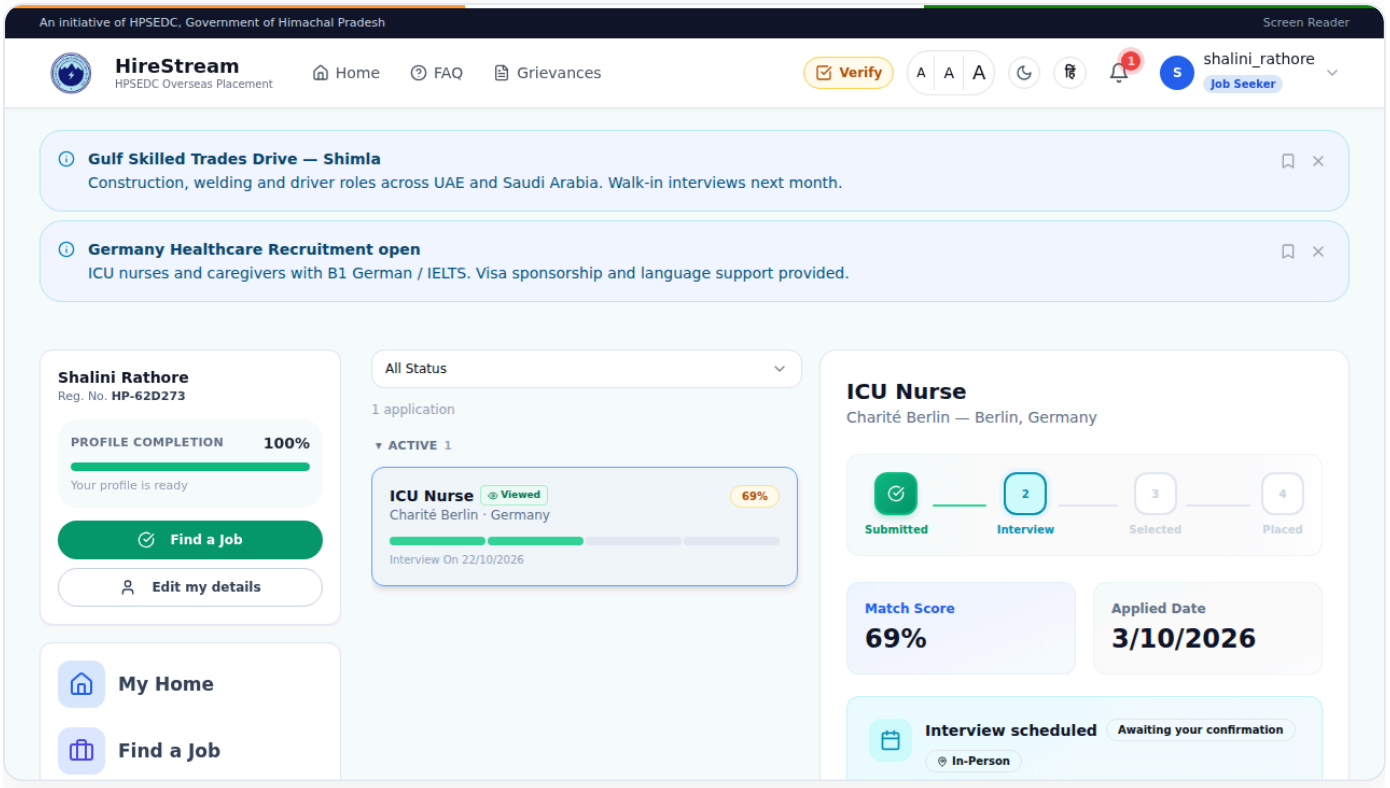

The most common reasons: your email is not confirmed yet; you have already applied for this job; the vacancy has been filled or closed; or the job is in a country you have marked as having refused you a visa.

# 6. Your interview

HPSEDC interviews every applicant. When your interview is arranged you receive a notification, and the application shows **Interview scheduled** with the date, time and place — or a meeting link for an online interview — and the interviewer's name.

Open **My Application** and click the application. Then:

- **Confirm attendance** — tell HPSEDC you will come. Please always do this.
- **Reschedule** — if the time does not suit you, give a reason and (optionally) a preferred time. HPSEDC will accept your time, set a new one, or keep the original, and you will be told.
- **Decline** — if you no longer want this job. A reason is required.
- **Add to calendar (.ics)** — saves the interview in your phone or computer calendar.

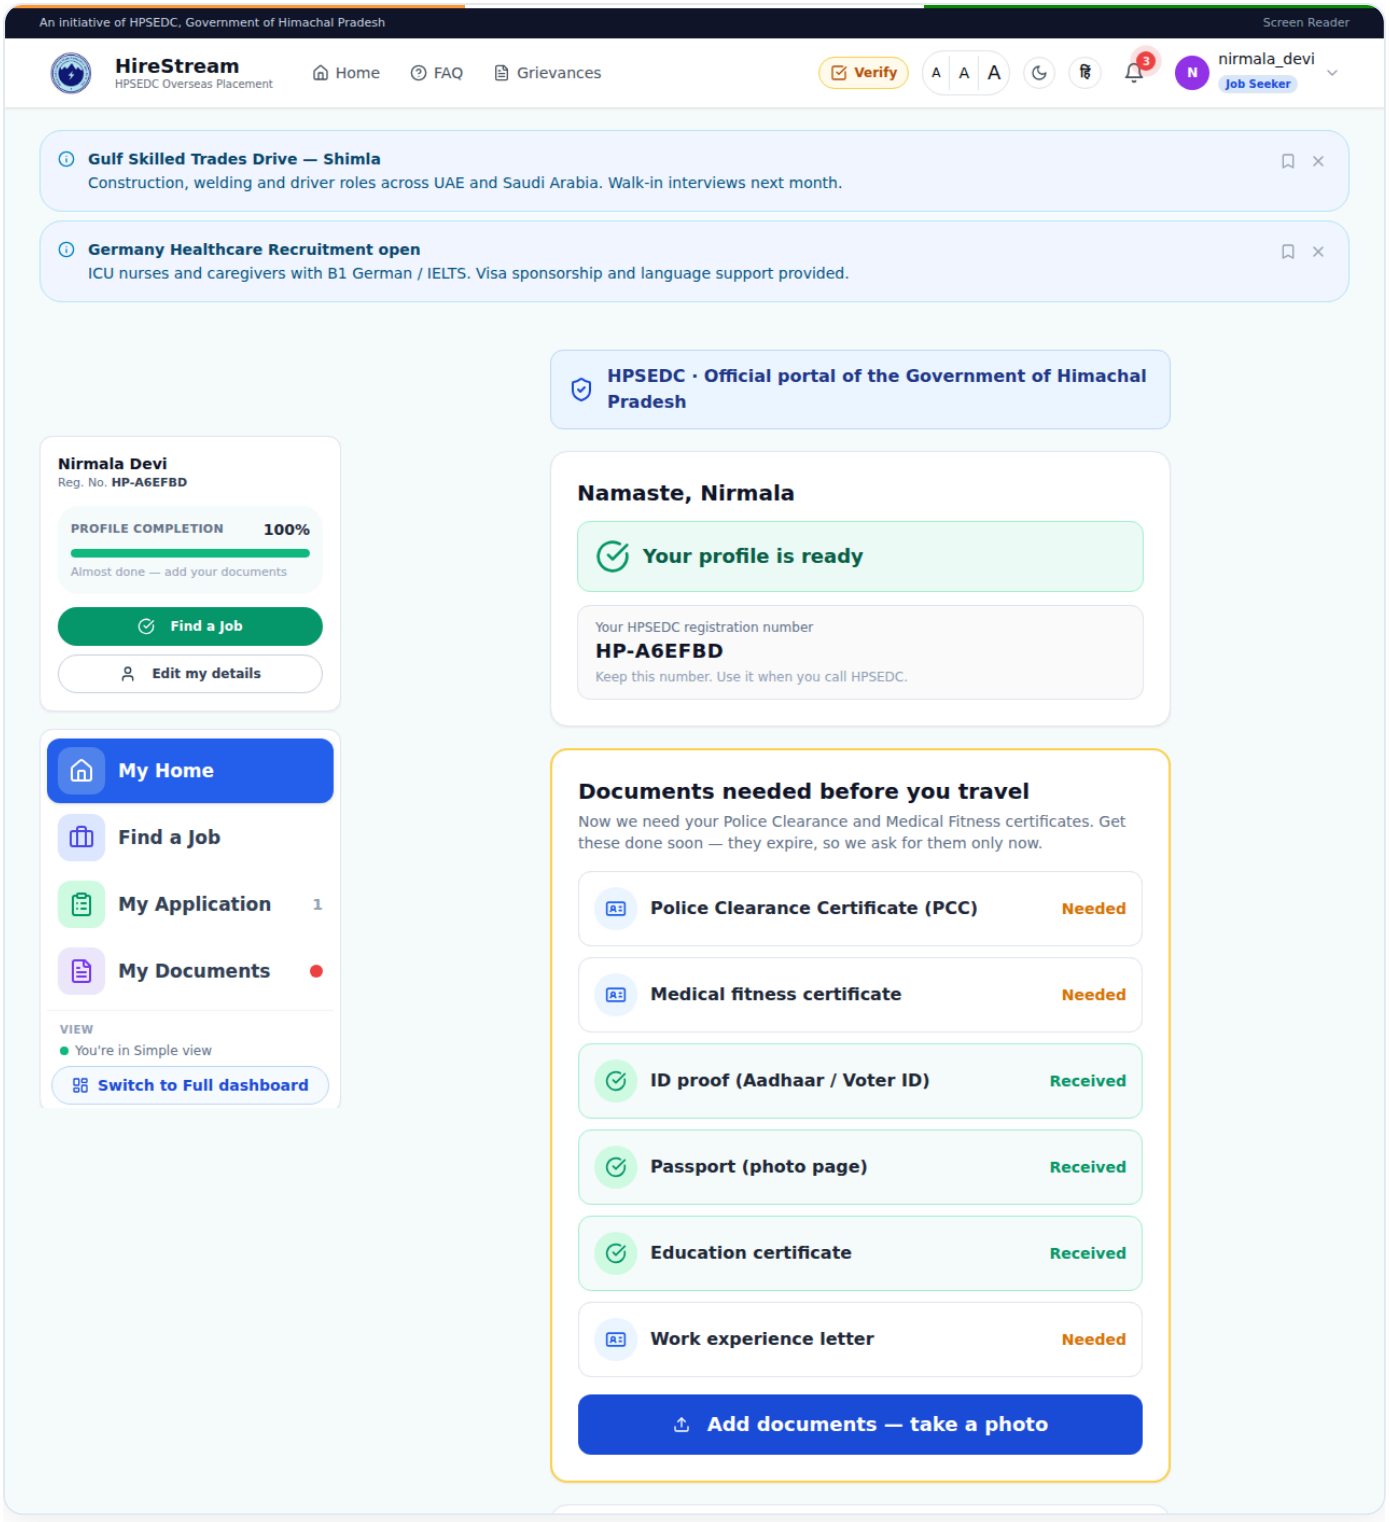

The interview details, with Confirm attendance, Reschedule and Decline.

# 7. If you are selected

Congratulations! When HPSEDC select you after the interview:

- Your application moves to **Selected** and you are notified.
- Your dashboard shows **Documents needed before you travel**, with each document marked *Needed* or *Received*.
- The application form gains two more pages: **Documents** and **Compliance** (Before you travel).

After selection the dashboard lists the documents HPSEDC need.

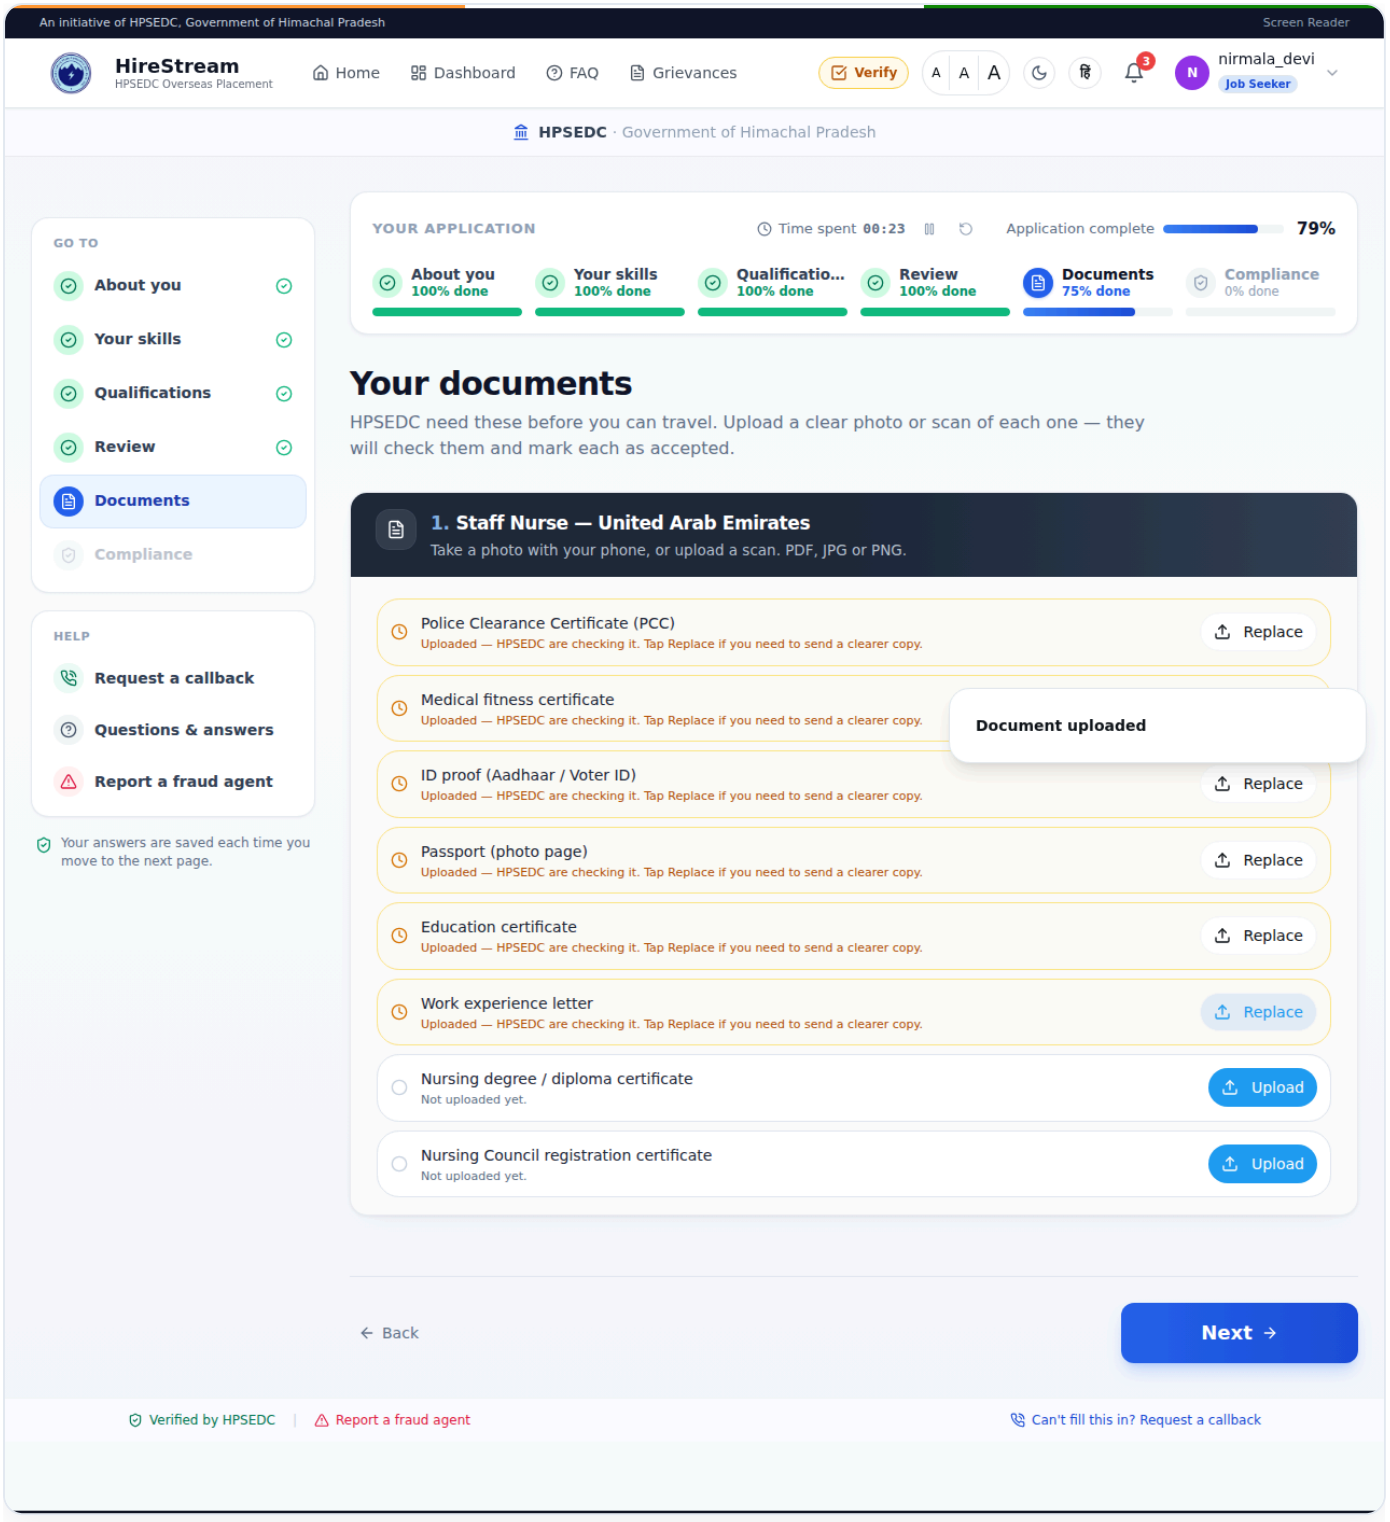

## Upload your documents (page 5)

Click **Complete your travel documents →** (or **Add documents — take a photo**). Page 5, **Your documents**, lists everything needed for each job you were selected for, and why. Usually:

| Document | Why it is asked |
|---|---|

| | |
|---|---|
| Police Clearance Certificate (PCC), Medical fitness certificate | Needed before you travel |
| ID proof (Aadhaar / Voter ID), Passport (photo page), Education certificate, Work experience letter | Needed for every overseas job |
| Trade documents — e.g. nursing certificate and Nursing Council registration, driving licence, ITI certificate | Required for your trade |
| Country documents — e.g. trade test (Saudi Arabia), IELTS and CV (UK, Canada, Australia…) | Required by the destination country |

1. Click **Upload** next to a document.
2. Choose a clear photo or scan — **PDF, JPG or PNG**, up to **5 MB**. On a phone you can take a photo directly.
3. The row changes to *"Uploaded — HPSEDC are checking it"*. When HPSEDC accept it, it shows *"HPSEDC have checked and accepted this"*.
4. To send a clearer copy, click **Replace**. Replacing a document that was already accepted sends it back for checking.

Page 5 — upload each document; its status is shown on the row.

**Some details lock after checking.**

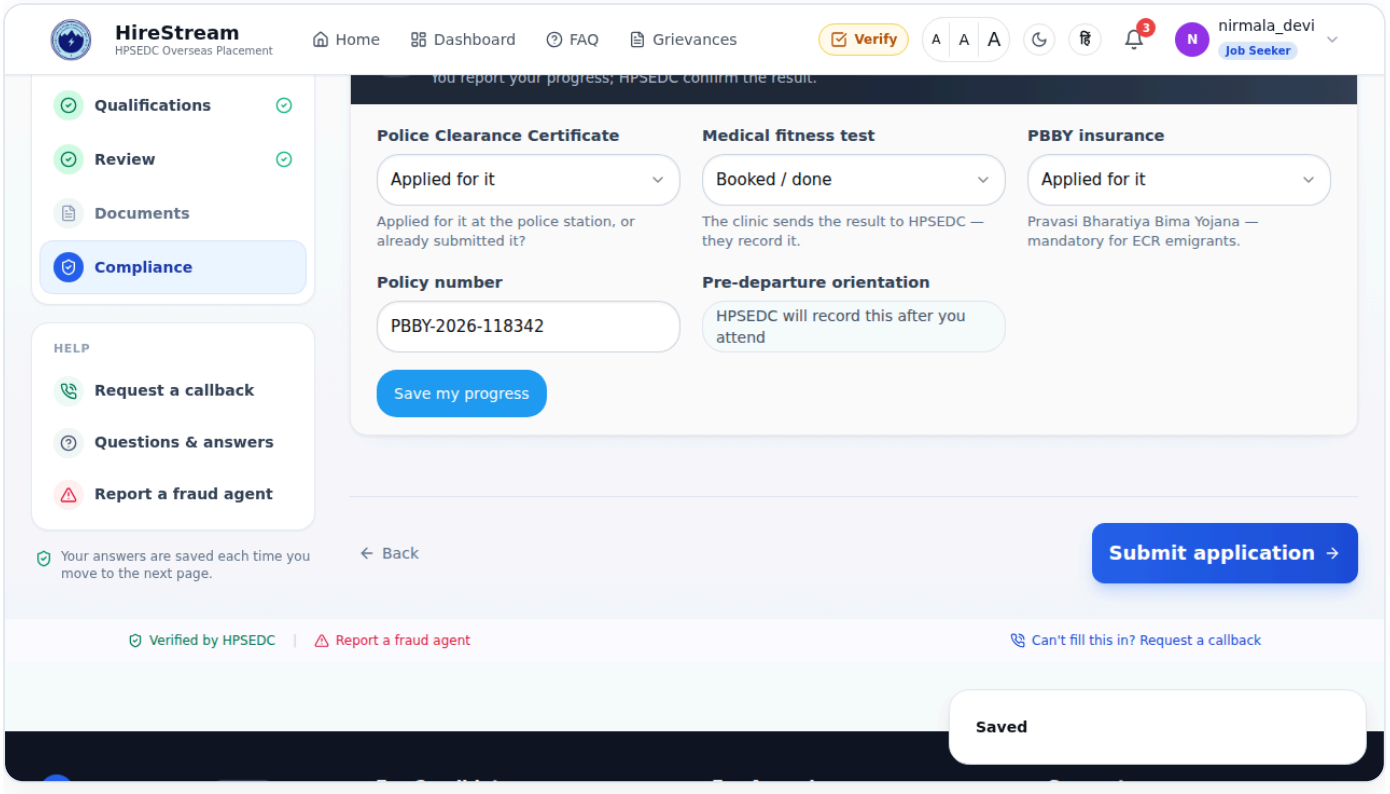

Once HPSEDC have checked your passport, the details printed on it (name, date of birth, passport dates) can no longer be changed in the form. To correct them, upload a new passport copy. After selection, your ECR/ECNR status is confirmed by HPSEDC — contact them if it looks wrong.

### Before you travel (page 6)

Tell HPSEDC how far you have got with the steps required under the Emigration Act. HPSEDC confirm each one when it is done.

- **Police Clearance Certificate** — *Applied for it* or *Submitted to HPSEDC*.
- **Medical fitness test** — *Booked / done*. The clinic sends the result to HPSEDC.
- **PBBY insurance** (Pravasi Bharatiya Bima Yojana — mandatory for ECR emigrants) — *Applied for it*, and the policy number.
- **Pre-departure orientation** — recorded by HPSEDC after you attend.

Click **Save my progress**. Values marked *"recorded by HPSEDC"* have been confirmed by HPSEDC and cannot be changed by you.

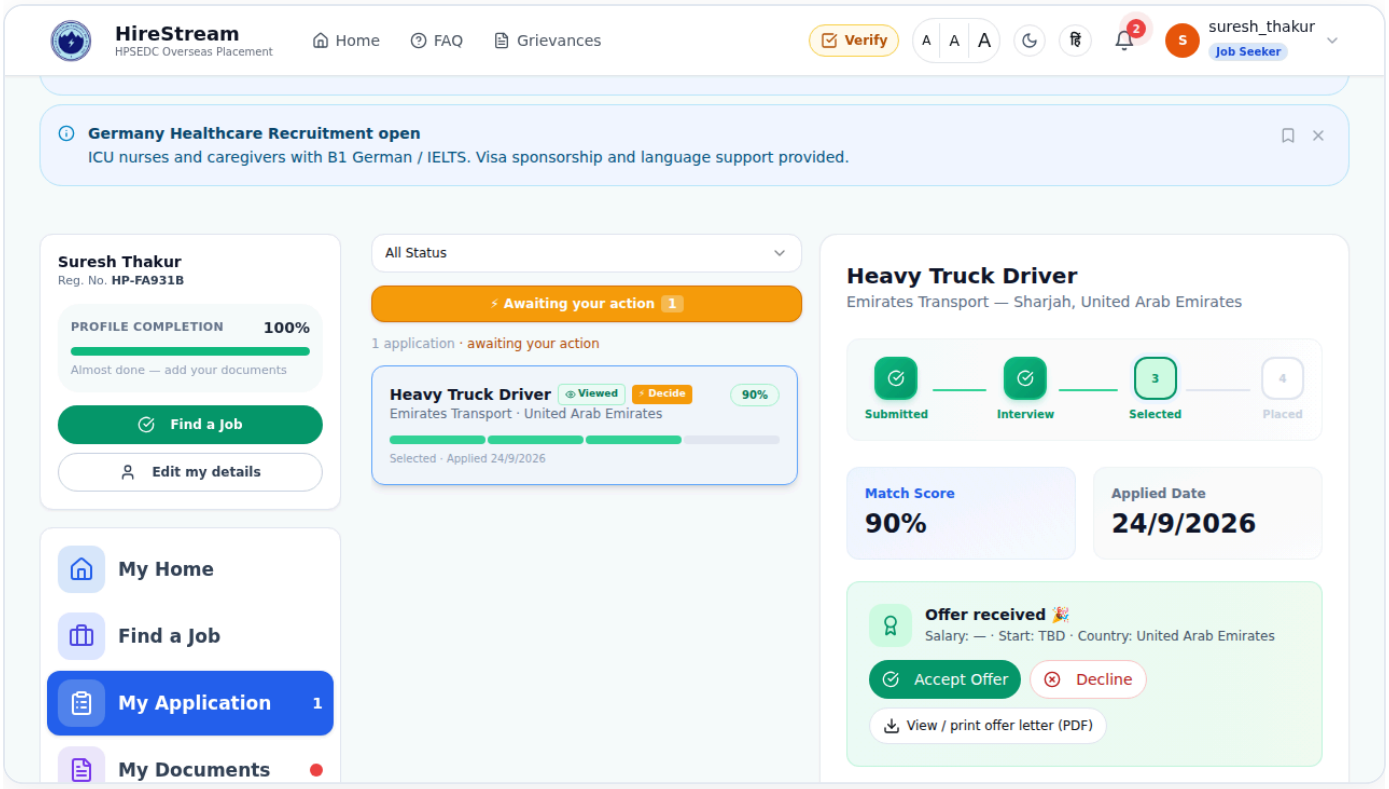

Page 6 — Before you travel.

## 8. Your offer

When HPSEDC upload your signed **appointment letter**, your offer is ready. Your dashboard shows **You have a job offer — make a decision**.

1. Click it, then click the job in **My Application**.
2. The **Offer received** box shows the salary, start date and country. Click **View / print offer letter (PDF)** and read it carefully.

3 Click **Accept Offer** to accept. Or click **Decline** and give a reason.

The offer, with Accept Offer and Decline.

**Offers have a deadline.**
An offer is valid for a limited time (7 days unless HPSEDC say otherwise). After that it expires and cannot be accepted. If you cannot accept yet — for example, the appointment letter is not uploaded — contact HPSEDC.

Once you accept, your application becomes **Placed**. Your dashboard then tracks the remaining pre-departure steps — visa, orientation, insurance and travel — and HPSEDC will tell you about every change in your visa status.

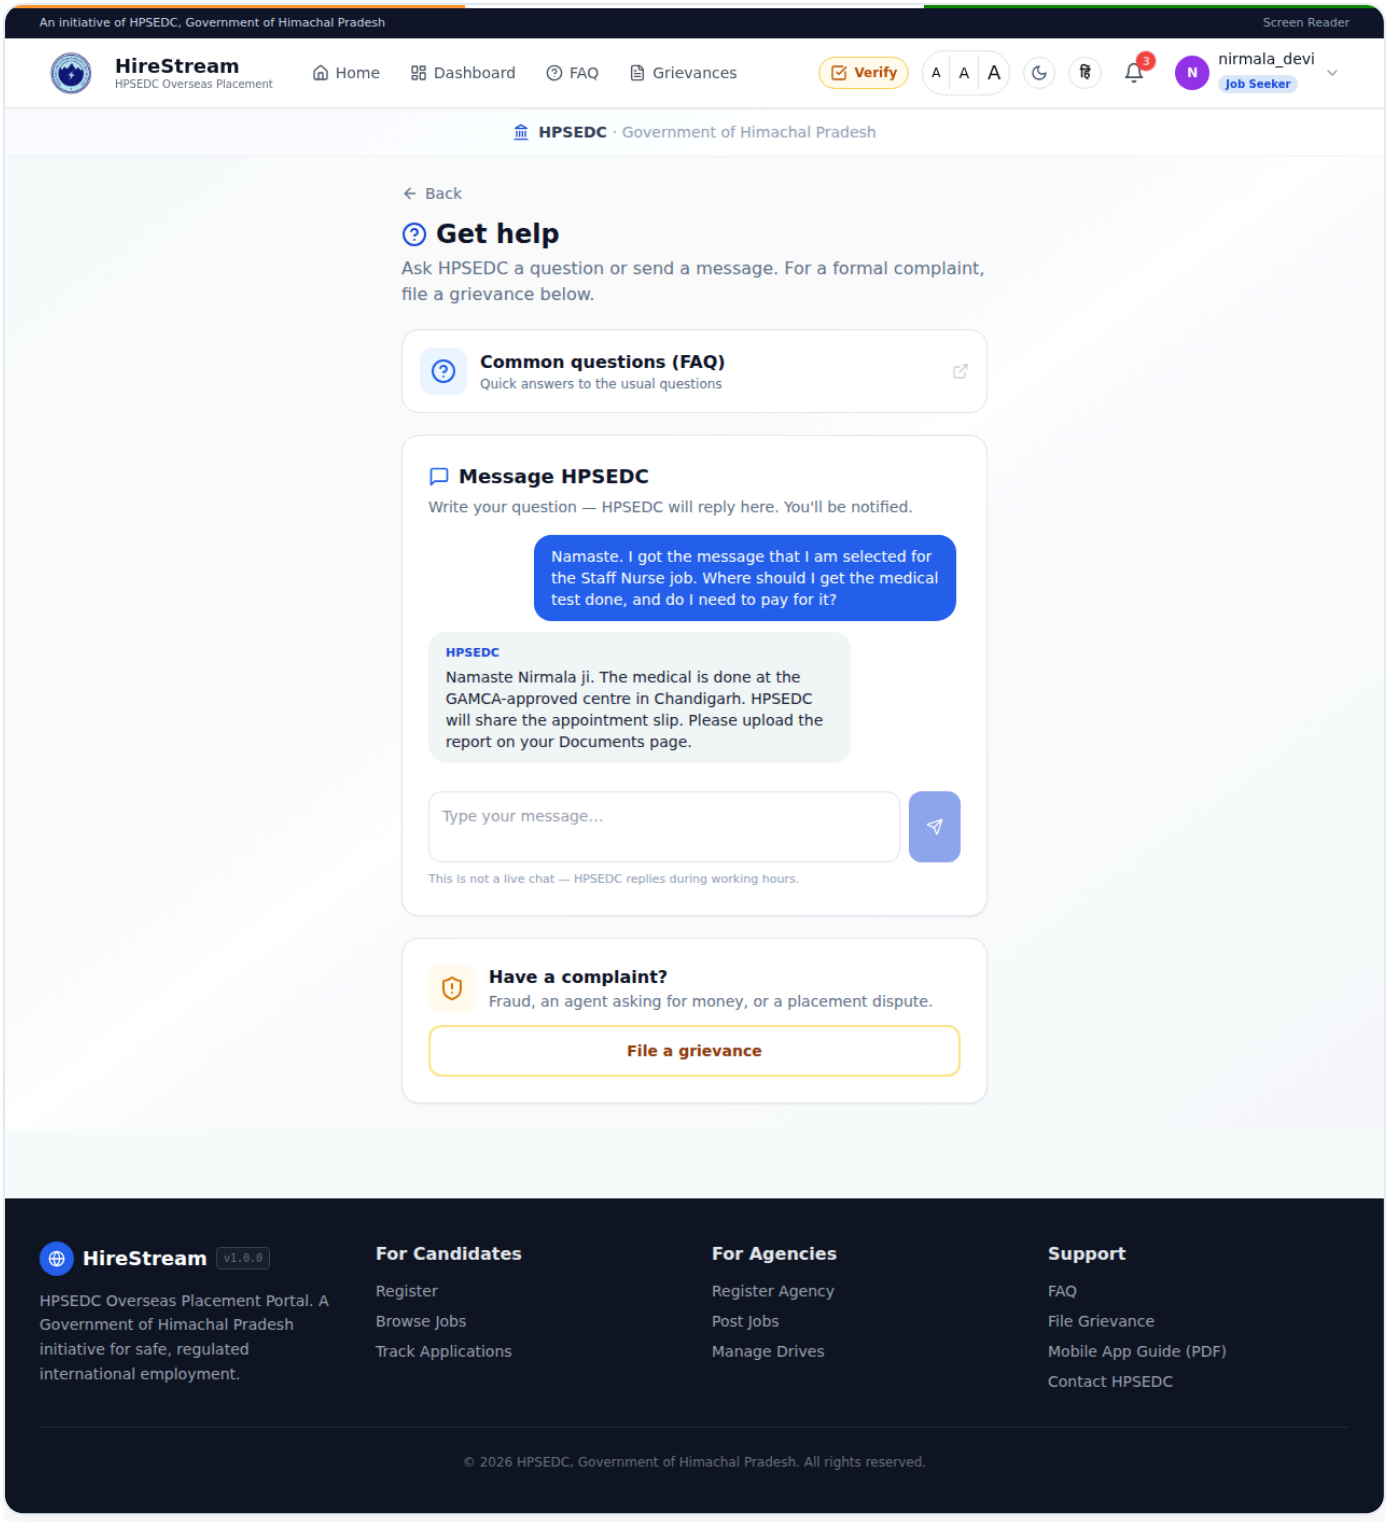

## After you start work abroad

HPSEDC stay in touch. At about 30, 60 and 90 days after you start, HPSEDC will check on your welfare. You can also open **Working overseas? Get support →** on your dashboard to send a monthly check-in (*I'm fine* / *I need help*) or report a problem — salary not paid, contract different from what was promised, safety or harassment, health, passport or documents held, or anything else.

# 9. Help, messages and complaints

## Ask HPSEDC

Click **Need help? Ask HPSEDC** or **Send a Message** on your dashboard. The **Help** page has common questions, the HPSEDC helpline, and a message box. Type your question and send it. This is not a live chat — HPSEDC reply during working hours, and a red number shows when there is a new reply.

The Help page — your messages and HPSEDC's replies.

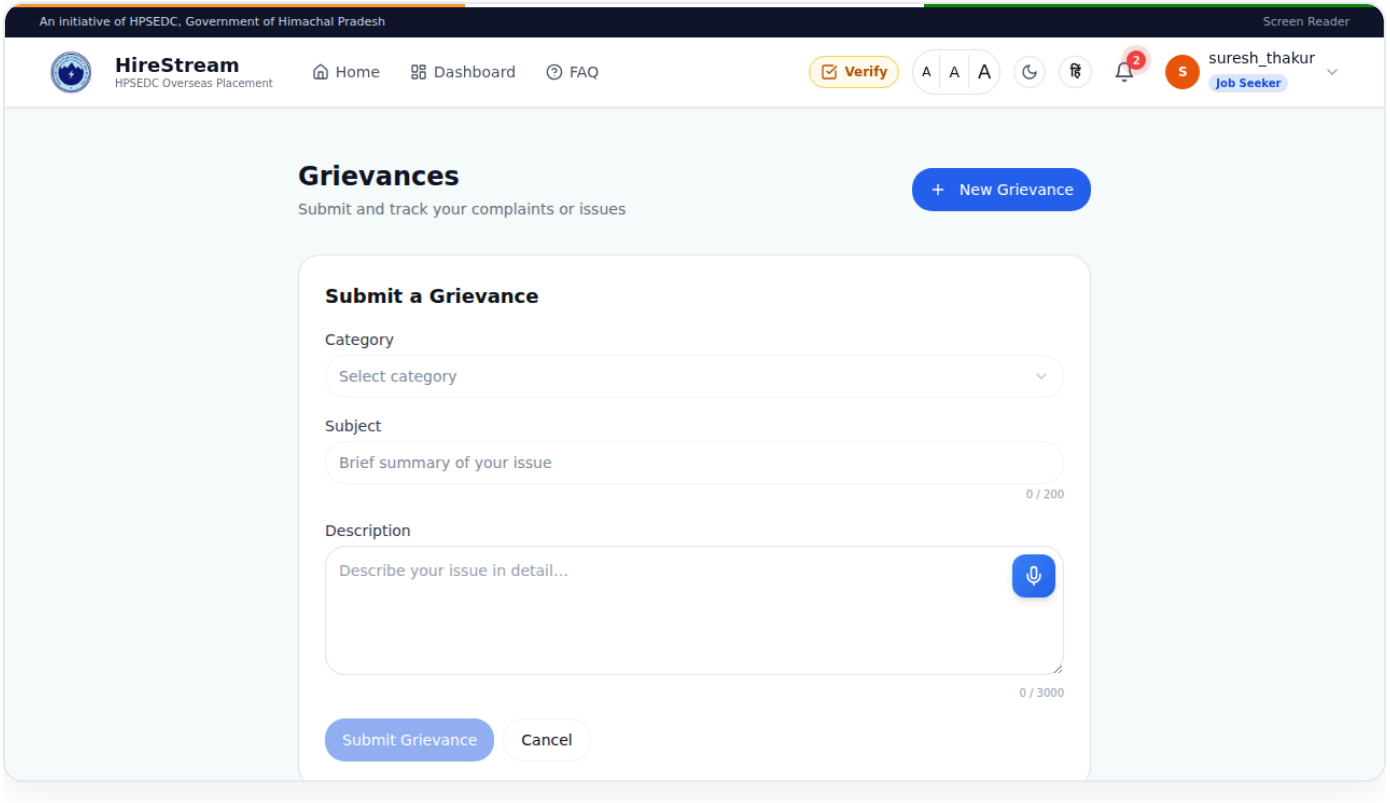

## Grievances (formal complaints)

For a formal complaint, click **Grievances** at the top, then **New Grievance**. Choose a category, write a short subject and describe what happened, then click **Submit Grievance**. Categories include:

- Someone asked me for money / Fraud
- Problem at my workplace abroad (unpaid, passport held, unsafe)

- Problem with my recruitment or placement
- Application issue · Technical problem · Question about the scheme / policy · Other

You can follow each grievance on the same page. When HPSEDC have acted, you can mark it *Resolved*, or *Reopen* it if the problem is not solved.

Submitting a grievance.

## Notifications

The bell icon at the top shows your notifications — application received, interview scheduled, selected, documents needed, offer available, visa updates and more. Some important notifications, such as selection, are also sent by email.

## Other settings

- **Change password** — click your name at the top right, then *Change Password*.
- **Text size and dark mode** — use the `A A A` buttons and the moon icon at the top.
- **Sign out** — click your name at the top right, then *Sign Out*. Always sign out on a shared computer or in a cyber café.

# 10. Frequently asked questions

| Question | Answer |
|---|---|
| Do I have to pay anything? | No. Registration, applying and selection through HPSEDC are free. Report anyone who asks for money. |
| I don't have a passport. Can I register? | Yes. Tick "I don't have a passport yet" on page 1. You will need a passport before you can be selected. |
| Do I need to upload certificates to apply? | No. Documents are requested only after you are selected for a job. |
| How many trades can I choose? | Up to 3. Choose only work you can actually do. |
| I did not get the email code. | Check spam, wait a minute, then click "Send a new code". Make sure the email address in your profile is correct. |
| Can I change my details after submitting? | Yes — use "Edit my details". Details from documents HPSEDC have already checked (e.g. passport) are locked; upload a new document to change them. |
| How will I know about my interview? | You get a notification and an email, and it appears in My Application. Please confirm attendance. |
| What is ECR / ECNR? | "Emigration Check Required" or "Not Required", printed on your passport. ECR passport holders need emigration clearance for certain countries; HPSEDC handle this with you. |
